

Press Release

EmpXtrack Continues To Grow In The US Market...

May 5th, 2010 (India)

More and more US based companies are opting for EmpXtrack, **On-Demand Human Resource & Talent Management web-based global HR software** that automates all HR processes in any organization.

Some of the new US clients acquired by EmpXtrack include: StockerYale Inc, CyQuest, Olympus Capital Asia, KePRO, Coptic Orphans, Corporate Traffic, Aptilon, and Jantzi-Sustainalytics.

Tushar Bhatia, President of SaigunTechnologies and Chief Architect of EmpXtrack said “ With an objective mechanism of Goal Setting and Tracking, EmpXtrack helps companies to utilize its assets namely their employees effectively. With continuous performance feedback, companies gain insights in how to make their employees deliver to their maximum potential. Not only have we gained many new customers, all our old clients are renewing and adding new modules and continuing to use our product.”

About Saigun Technologies and EmpXtrack

Saigun is a technology group focused on designing HR Management solutions. Saigun pioneers development of integrated, flexible and on-demand solutions for management of human capital. It provides technology to many Fortune 500 companies for various requirements in HR.

Saigun's flagship product **EmpXtrack is a next generation software for Human Resource and Talent Management**. The leader among integrated web-based solutions for HR, EmpXtrack is powerful enough to handle all 18 functions of HR department through its single window interface and provides comprehensive analytics for critical decision making. Designed as a SaaS (software-as-a-service) offering, EmpXtrack requires Zero-to-minimum investment in hardware and other software components, making it first choice of the organizations that require quick to use solutions with minimum investment in technology.
