

Press Release June 13th, 2011(India) Specialization Pays Off As EmpXtrack Attracts New Customers

June 13th, 2011(India)

EmpXtrack marketshare continues to increase and new customers are signing on to the platform. With the addition of new clients including HCL Infosystems, India Bulls, Matrix Cellular, Bharti foundation and many more clients EmpXtrack is rapidly gaining recognition as an indispensable tool for employee management.

According to the company President, Tushar Bhatia: "With the economy rebounding and many new opportunities being created in each company, it becomes imperative to manage the aspirations of the young workforce. **EmpXtrack helps provide a transparent and objective platform that allows employees to easily tune to the needs of their organizations and its customers.**

It further helps measure the effectiveness of the workforce providing vital inputs to the management on a continuous basis."

About EmpXtrack : Saigun's flagship product [EmpXtrack](#) is a next generation software for Human Resource and Talent Management. The leader among integrated web-based solutions for HR, EmpXtrack is powerful enough to handle and automate all functions of an HR department through its single window interface and provides comprehensive analytics for critical decision making. Designed as a SaaS (software-as-a- service) offering, EmpXtrack requires Zero-to-minimum investment in hardware and other software components, making it a first choice of the organizations that require "quick-to-use" solutions with anytime-anywhere access.
